18. (Unclassified - NDL) LIAISON In follow-up to the briefing of Representative Paul Findley (R., Ill.) by Jim Lilley, NIO/NFAC, on 26 January, I forwarded to the Congressman's office three Peking Street Guides and one People's Republic of China Atlas.

19. (Unclassified - NDL) LIAISON Per his request, I mailed to Phil Kimball, in the office of Representative J. Kenneth Robinson (R., Va.), the Agency publication entitled "A Dollar Cost Comparison of Soviet and US Defense Activities 1967-77."

20. (Unclassified - NDL) LIAISON Per her earlier request, I sent to Mary Kay O'Neill, in the office of Representative Sam M. Gibbons (D., Fla.), a copy of the recently signed Executive Order.

21. (Unclassified - MMP) LIAISON Alice Hooker, from the office of Representative Al Ullman (D., Ore.), called to ask for assurance that CIA is not engaged in reading the minds of U. S. citizens. She asked this question to enable her to answer a constituent letter. I assured her that CIA is not involved in activities to read the minds of U. S. citizens.

22. (Unclassified - MMP) LIAISON Fred Kaiser, from Congressional Research Service, called to request the presence of a CIA official at the National Convention of the American Society for Public Administration to be held on April 9 - 12. The Convention will take place in Phoenix, Arizona and the four-member panel to which CIA is invited will convene for two hours on the afternoon of 11 April 1978. Other invitees are: Arnold Donahue, of OMB, a Senate Select Committee on Intelligence staffer--still unnamed, the Chief of the Government Division of GAO, and a representative of CIA. The subject will be Intelligence Reorganization and Reform. I told Fred Kaiser that I would get back to him, but have since discovered that he called OGC the preceding Friday and that [redacted] GC, is well apprised of the invitation. I discussed the invitation with Sue, Tony [redacted] secretary, and am satisfied that OGC has a firm grip on the problem. Accordingly, I called Mr. Kaiser and informed him that he should expect to hear from OGC sometime in the near future.

6. [redacted] LIAISON Received a call from Gary Cornwell, Deputy Staff Chief, House Select Committee on Assassinations, inquiring as to the status of the Director's letter responding to Chairman Louis Stokes' letter setting forth revised procedures for the review of CIA documents. I told him the letter had been sent to the Director's office this morning and should be signed by the end of the day. Cornwell said that he and Counsel Jim Wolf, will be out in the morning to discuss the Committee's review of Senate Select Committee on Intelligence transcripts on assassination and problems that both the Agency and the Committee may be facing under the Freedom of Information Act when the investigation is completed. An expert on FOIA and congressional documents from OGC will be present.

25X1 4. [ ] LIAISON Accompanied *Gao* [ ] to a meeting 25X1  
with Dr. Henry Myers and Robert Beck, on the staff of the House Interior  
and Insular Affairs Committee, and discussed Chairman Morris Udall's  
letter of 11 January 1978 requesting a further briefing [ ] 25X1  
[ ] showed the Director's classified response dated 27 January 1978 which  
Myers and Beck read and returned. The letter will not be retained by  
the Committee. [ ] explained that the letter was not intended to  
cut off the Committee entirely and expressed the Agency's desire to  
cooperate and answer the specific questions remaining. They posed three  
questions which we will answer orally to Myers and Beck, who will then  
brief the Chairman and Representative Paul E. Tsongas (D., Mass.), who is  
also interested. Myers expressed satisfaction in the manner in which  
the matter was being handled and indicated that the Chairman was not  
desirous of involving the Agency in a formal inquiry. The three  
questions are being reviewed by the A/DDO for preparation of a response.

25X1 5. [ ] LIAISON Called Gary Cornwell, Deputy  
Staff Chief, House Select Committee on Assassinations, to get his clearance  
to the insertion of an additional paragraph in the Secrecy Agreement which  
will provide that no disclosure may be made of unsanitized information  
without the express approval of the Director in writing. Cornwell  
agreed that this was inadvertently omitted in their version. I explained  
that the Director's response to Chairman Louis Stokes' letter will  
enclose a Secrecy Agreement with this inclusion which we will have Committee  
staffers sign.

25X1 6. [ ] LIAISON Rodger Carroll, GAO employee  
✓ detailed to the House Government Operations Subcommittee on  
Legislation and National Security who is conducting an inquiry on behalf  
of the Chairman to determine if CIA had given any preferential treatment  
in the awarding of contracts [ ] called to set up an appointment 25X1  
to visit the Agency tomorrow morning at 10:00 a.m. to discuss his  
inquiry.
